The Bowls Club should be given a lease to run the Club and the land next door. The managing concern is capable of maintain and running the whole park in partnership with RBC. We have the opportunity to be ground-breaking in this park - a pioneering effort which can be copied elsewhere.

Miniature golf and a new cafe would be good, archery too.

---

Sunday, November 27, 2022, 1:14 PM UTC

Tidier garden areas. More facilities.

Children's lido open in the summer. Better supervision. Park keepers not always there

---

Saturday, November 26, 2022, 3:21 PM UTC

The toilets need to be refurbished and cleaned and looked after better.

The children's play area could do with updating a little bit too.

---

Saturday, November 26, 2022, 12:19 PM UTC

As mentioned earlier I think the play area needs more updated equipment. I have a toddler and go to weybridge park for this reason. Although as more accessible and walking distance I would rather go to victory park. More parents being drawn to the park would definitely increase use of cafe and facilities.

I think the park has nothing to improve, the facilities are clean and very well looked after. The park cafe is a great manatee's and brings more life into the park.

A skatepark would be a safe and convenient place for children and adults to skateboard as the only other skatepark in Addlestone recently closed. There will be low anti social behaviour because the skatepark will be in a large public park with so many other facilities and people using them.

---

Tuesday, November 22, 2022, 10:50 PM UTC

General improvements like painting the rails along the border and around play area... would happily volunteer for this... maybe reinstate a water drinking fountain for hot days in the summer... definitely a good trim of tall trees within the park

To have water back in the paddling area in the summer would be great. An improved park area for the kids as there is a lot of unused space. Some additional picnic benches would be great too.

---

Monday, November 21, 2022, 8:16 PM UTC

The skate park round the corner is being demolished, you know that. These places are a community areas for young people. They need designing and locating properly, this can be achieved by local councils working with professional skate park designers. The problem with sound pollution from skate parks can be vastly reduced buy appropriate design and construction and locating skate parks correctly to stop sound reverberating around open spaces. Think about it. A good park is a great community area.

A skate park would be much appreciated

---

Monday, November 21, 2022, 6:49 PM UTC

A venue for community outdoor events, summer fete, craft show, concerts etc would be good for Addlestone.

---

Monday, November 21, 2022, 6:49 PM UTC

---

Monday, November 21, 2022, 6:47 PM UTC

many people would like a skatepark, as aviator has lost their one and noise wont be an issue as the park has closing times  
although the toilets are very bad condition

---

Monday, November 21, 2022, 6:38 PM UTC

---

Monday, November 21, 2022, 6:34 PM UTC

The park is brilliant - very well maintained.  
A full time cafe/more activities would be a great addition (we use the preschool several times a week - haven't yet visited the Bowls Club cafe but hope to)

---

Monday, November 21, 2022, 6:30 PM UTC

So sad not seeing the paddling pool running. I know it costs a lot but could it be a splash park or use the space for something better for the children.

Would also be lovely if a path went round the tennis courts and from near the entrance behind the goal to the footpath by the park. Essentially a full loop / path for running / teaching kids to cycle / skate. It's a shame it's straight there and straight back.

---

Monday, November 21, 2022, 6:12 PM UTC

Upgrade toilets, a picnic area with tables would be nice, more shade for the summer months, play area and equipment for older children 10 yrs plus

---

---

Sunday, November 20, 2022, 7:05 PM UTC

The bathrooms need a bit of TLC. Parking can often be difficult too, especially when juggling prams and disabled access.

---

Sunday, November 20, 2022, 7:04 PM UTC

We have a great park and we just need to make a great use of it. Crazy golf with bowls would be a great addition.

---

Sunday, November 20, 2022, 6:43 PM UTC

The park is an asset to the borough

---

Sunday, November 20, 2022, 6:39 PM UTC

I know it is an expensive asset for Addlestone but your suggestions give it extra life. Keep up the good work.

Toilets

---

Sunday, November 20, 2022, 5:34 PM UTC

---

Sunday, November 20, 2022, 5:27 PM UTC

Toilets need to be made use able as cant use them for small kids as they are always dirty and drug dealers use them, a little skate park as all the kids use the hill with the bikes so nice to have that, mini golf would be a great addition, and definitely get the small paddling pool fixed , we would spend every day in the summer there when it was first up and running

Put off going as verbal abuse from groups of youths and then graffiti on the play equipment. Or when trying to take young children to play they just don't move off equipment and sit smoking and verbal abuse. More control would attract many people back

---

Sunday, November 20, 2022, 1:55 PM UTC

All of the ideas on the checklist would be great. What was missing from the list was a basketball court. There aren't many activities for older children apart from the tennis courts. I'd love a cold water lido as I used to live near Tooting Bec lido and it was a wonderful place to go.

Something for teens to do aswell, redo the playground to maybe include an area for the teens too as the playground bit is big enough. Also have the paddling pool bit open as soon as it gets warm to cold. A basket ball court aswell as the tennis courts? A covered area just a roof or tent material with some picnic benches so people can still have a sit down in the park even if it's raining.

For long term vision, move the cafe nearer the nursery school to capture extra footfall. Some people may not necessarily want to make a detour to the Bowls Clubhouse.

Start more community activities - for example :

Monday : Drawing;

Tuesday : singing/music;

Wednesday : book club;

Thursday : Coffee & Chat;

Friday : Dominoes.

Better access locally to cctv. Better cctv cameras. Review planting to include more perennial shrubs  
Plant up the century gardens. So scruffy.

Build a new cafe in the centre of the park with better access. Maybe redevelop or extend the existing  
central building. Redevelop even the century gardens as the cafe hub. Improve access ramps for  
disabled to the Pavilion. A car park for the front gates entrance.

---

Sunday, November 20, 2022, 8:23 AM UTC

The shallow swimming pool needs to be brought back into use. It would bring parents and children into  
the park.

If we are to provide facilities to the park there would be pressure for extra car parking. I think that should  
be resisted and cycling parking provided with electric bikes.

I take my students from Philip Southcote school on some Fridays for our walking club and to be honest  
it's there favourite, every park could do with updating. We have problems parking our height restricted  
mini bus in Victory park road so maybe a key code on the barrier would help us. On the whole it's one of  
the better parks

All of the suggestions put forward would be great for the park and the local area. It was a shame we couldn't pick more than one on this form.

I selected crazy golf as it would be a new addition to the facilities already on offer. It would also be great to improve the condition of the existing facilities. In particular -refurbishing the tennis courts and reopening the lido would be great facilities for different age groups to enjoy.

New facilities are a lovely idea, crazy golf or additions to and/ or an improved play area for the children as the park is lovely sociable area and has always felt very safe, specifically with having a park keeper on site for much of the time and having the clear opening and closing times. I strongly feel that investing money in new and improved facilities means it's imperative to keep the gates locked over night to ensure these areas remain well kept for all to enjoy.
